

PRO NOSTALGIA

More Fun!

Meremere Dragway and NZ Hot Rod Magazine are proud to announce a new Pro Nostalgia class for the 2014/2015 competition season. Pro Nostalgia gives racers who may traditionally only run at one meeting a year to race more often in this new class which will be run over the four Meremere Dragway Competition Points Series with a grand final to be held on the afternoon of the NZHRM Club Champs.

The class is open to all front engine dragsters, Alters and pre 1950 sedans which run quicker than 11.00 seconds. All vehicles must be tech'd and drivers must have a competition race licence. Racing will be conducted in a DYQ format over the quarter-mile. To make the class viable it must have a minimum of six cars entered per event for racing in the class on the day to go ahead. If six don't enter then racers can choose to race in another class for the day. Racers will be eligible to accumulate points for the Mr Drag Racer overall points trophy. Trophies and Certificates will be presented to the winners and runner-ups at each race meet and prize money/trophy presented to the winners and runner-ups of the series winners.

If you have a vehicle that is eligible and you think you would like to participate in the NZHR Magazine Pro Nostalgia points series contact Paul Grace on paul@nzhotrodmag.co.nz or meremeredragway@xtra.co.nz to express your interest.
